

DOULAS NEEDED

You Can Change the Future Health of African-American/Black Mothers and Babies.

The Association for Wholistic Maternal and Newborn Health is currently hiring Doulas for our Community-Based Doula Program in Los Angeles.

Requirements to apply are:

- Completion of a Doula or Perinatal Support Specialist Training. (Certification as a Birth Doula or Perinatal Support Specialist is preferred but not mandatory).
- Documentation of attendance at a minimum of two births providing labor support.
- Availability to be on call 24 hours per day, 7 days a week to work with 1-2 clients per month for 12 months.

This is a regular, part-time position. Paid training, mileage and meal reimbursement offered. Persons of African-American/Black ethnicity are encouraged to apply as this is the community served.

To apply, contact us for an application, and with cover letter, resume and documentation as described in the job announcement. Deadline to apply is October 31, 2018.
